RUSH OF SUPREMACY

ALL NEW CITY RUSH OF SUPREMACY

The original. The authentic. The game changer. The true sedan that stunned the world with its brilliance, year after year, decade after decade, is here to change the game, all over again. Yes, the All-New 5th Generation Honda City is here. To introduce us to a great new feeling, to a superior new rush. The Rush of Supremacy. Enjoy absolute exhilaration, luxury, control and connectivity. Enjoy being chased by the world and not the other way around. Because it's not merely an evolution, it's a revolution in supremacy.

EXPERIENCE SUPREMACY

Ever since its launch, the City has defined the original, authentic shape of the sedan in India. The Evolution of a Revolution, it's the aspirational sedan that sets the game for everyone else to play. In this All-New 5th Generation Honda City, overall length and width have been expanded, making it the longest and widest sedan in the segment. This 'Ambitious Sedan' design enhances the stance and strength of the car, while the long and low trunk accentuates the height in a single glance, exuding the grandeur of a higher segment car. Long, sporty and stretched out the All-New City commands the road with a strong, bold presence.

THE KATANA BLADE IN MOTION

Inspired by the Japanese Katana blade, a type of curved sword used by the ancient samurai, the All-New City follows a continuity of lights with a sharp shoulder-line that accentuates its premium look and length. This character line runs right from the headlamp all the way to the tail lamp defining its shape - it makes the hood seem longer, and gives the car a distinguishably precise and aerodynamic impression.

The All-New City is smartly styled with a dignified stature and superior technological prowess. A wide, of prominence. This bold front is taken to the next level with the integration of full LED headlamps (with 9 of the All-New City, Z-shaped 3D Wrap Around LED Tail Lamps with Uniform Edge Light & LED Side Marker Lights

upper-grille in the front presents the signature Honda Solid Wing Face, and elevates the car to a position LED array inline shell, integrated LED DRL, L-Shaped LED turn signal), a first in the segment. In the rear continue to highlight the sleek design of the car.

SOPHISTICATED & HIGH QUALITY DASHBOARD WITH REAL STITCH SOFT PAD & GLOSSY DARK WOOD GARNISH

LEATHER SHIFT KNOB & REAL STITCH SOFT TOUCH KNEE PAD

REAL STITCH SOFT TOUCH DOOR LINING & ARMREST

CONTEMPORARY SEAT DESIGN WITH PREMIUM LEATHER UPHOLSTERY

SUPREMACY OF LUXURY

Achieving a clear vision while driving, with a balance of openness and security. This is the 'SO-KAI' or 'Invigorating' cockpit design in the All-New 5th Generation Honda City. Another theme, the 'Dynamic View' concept, has structured the design of the instrument panel for the driver to easily grasp vehicle sensation with lesser anxiety-causing factors. In the upholstery, premium leather seats and hand-crafted tailoring provide a sense of opulence and luxury, giving the All-New City a feel that far exceeds its class.

BEST-IN-SEGMENT[^] LUXURIOUS INTERIOR SPACE

SATIN METALLIC AC VENT SURROUND FINISH

CHROME INNER DOOR HANDLES

SUPREMACY OF COMFORT

The All-New 5th Generation Honda City spares no effort in continuing the ambition of spaciousness and comfort within the car. Inspired by putting people first, the interiors are based on Honda's 'Man Maximum, Machine Minimum' philosophy. Wherein, a thoughtfully created interior space with ample legroom and an ergonomically designed cockpit come together beautifully to give you a supremely sublime riding experience.

EARTH DREAMS
TECHNOLOGY

SUPREMACY OF POWERTRAIN

The power of Honda is derived from its expertly crafted, technologically advanced, innovative powertrain. Fashioned with Earth Dreams Technology, a next generation set of technological advancements which greatly enhance both driving performance and fuel efficiency, the All-New City's engine features High Accuracy Valve Technology for better combustion with reduced friction and lower emissions.

ENGINES MADE SUPREME

1.5 Litres i-VTEC DOHC WITH VARIABLE TIMING CONTROL (VTC)

Based on the High Accuracy Valve Control Technology called DOHC VTEC + VTC, this newly introduced BS6 engine improves combustion efficiency, reduces friction and lowers emissions. This high performance engine delivers 89 kW (121 ps) best-in-segment^{*} power and 145 Nm torque, with quicker torque increase at lower engine speed.

1.5 Litres i-DTEC DOHC DIESEL ENGINE

Upholding a legacy of leaving behind a greener Earth for future generations, the All-New City has a clean diesel engine. Under BS6, specifically where NSC (NOx Storage Catalyst) and Diesel Particulate Filter (DPF) are used, the exhaust gas after-treatment system has been applied thus significantly reducing emissions. It gives 73 kW (100 ps) power with 200 Nm torque.

SUPREMACY OF TRANSMISSION

ADVANCED CVT: THE ULTIMATE AUTOMATIC

Developed as part of Earth Dreams Technology, CVT or Continuously Variable Transmission is Honda innovation at its best. Since power from the engine is continuously fed to the car tyres, CVT makes the ride smoother. It ensures the engine performs within a speed range that is best for fuel efficiency (18.4 km/l^{**} in the All-New City). With 7-Speed Paddle Shifters, new Step Up-shift and Brake Down-shift control, elevate your rush with the supremacy of Honda CVT.

- 7-Speed CVT i-VTEC (Petrol) - 18.4 km/l^{**}

ADVANCED CVT FOR 1.5 Litres i-VTEC ENGINE

6-SPEED MANUAL TRANSMISSION FOR 1.5 Litres i-VTEC & i-DTEC ENGINES

The Manual Transmission (MT) for both Petrol and Diesel vehicles now feature 6 forward speed ratios. This achieves a better driving experience with improved fuel efficiency. The 5 gear ratios are optimized for thrilling pick-up/acceleration, while the added 6th gear overdrive ratio maximises stress-free low engine revolutions when cruising at high speeds and this is what obtains better fuel efficiency.

- 6-Speed MT i-VTEC (Petrol) - 17.8 km/l^{**}
- 6-Speed MT i-DTEC (Diesel) - 24.1 km/l^{**}

6 SPEED MT FOR 1.5 Litres i-VTEC & i-DTEC ENGINES

5 STAR rating in internationally acclaimed safety assessment standards**

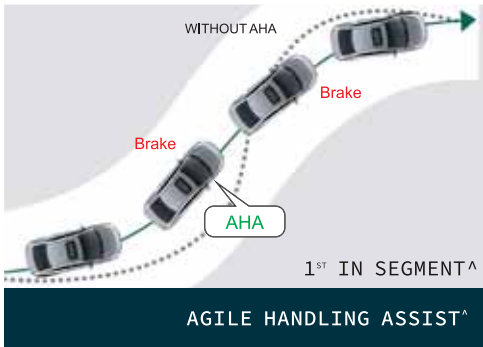

SUPREMACY OF SAFETY

The All-New City utilizes ultra high tensile strength steel plates in its frame, including Super High Formability 980 MPa grade steel, to absorb impact during collisions and provide better rigidity, for more stable driving. The All-New City has secured a 5-star rating in internationally acclaimed safety standards for the City manufactured and tested in Thailand[#]. It has the world's first i-SRS Airbag System with Quick Deployment Technology, as well as the 1st in Segment[^] LaneWatch™ camera system which supplements side mirrors and uses a screen inside the vehicle for the driver to keep aware of the surroundings without taking their eyes off the road.

**ASEAN NCAP 5 Star rating has been received for the City manufactured and tested in Thailand.

SUPREMACY OF CONVENIENCE

REMOTE ENGINE START (CVT ONLY)

In the All-New City, convenience reigns supreme in the form of Honda Advanced Smart Key System. With the City's First Walk Away Auto Lock feature (the car locks itself automatically when the key is away from it at a distance of more than 1.5 metres), Remote Engine Start (in CVT) and Keyless Window Remote Operation (for all windows and sunroof). The presence of AC vents in the rear of the car also adds to the feeling of luxurious comfort and helps in keeping the cabin uniformly cool.

SPACIOUS GLOVE BOX

SUPREMACY OF CONVENIENCE

In the All-New City, clever design and engineering make sure you never run out of storage space. Trunk space of up to 506 Litres can be created by extending the rear overhang. While inside the cabin, trays and pockets are placed within an easy-to-reach distance of all passengers, in the front as well as in the rear of the vehicle.

THE GARNISH OF SUPREMACY

The craftsmanship of chrome. The glint of sophistication. Grace your All-New City with matchless elegance and stylish flamboyance. Tailor-fit and personally customizable[^], let supreme trimmings and bedazzling adornments scale your ride to new heights of impression.
